

*PRC 2 MIN FATHER TALK 2017.*

DUMB MEN' the Latest **punching bag** in ADVERTISING.  
That was the headline in an article I recently read.

The Men, The Husband, THE FATHER, those Roles in our culture have been:

DEMINISHED

**DEVALUED**

DISGRACED for years.

Yet we know that our Heavenly FATHER has a perfect plan for the family that INCLUDES a Good Father.

AT THE PREGNANCY RESOURCE CENTER IN STROUDSBURG, WE SEE  
**expecting mothers** in need  
on a regular basis.  
But **WE ALSO SEE expecting fathers.**

**OUR FATHERHOOD INITIATIVE PROGRAM.**

Recognizes the fathers **VALUABLE** roll in parenting.

In a culture that devalues them. We see them **when they need to be valued the most.** Through the **father hood initiative program**, we have the opportunity to help them see there **value**, to educate them, and inspire them and encourage them and to build them up as FATHERS. And we even get to pray with them and for them.

I'm a father myself and  
When our daughter was little, my wife and I used to split the work week so one of us could be home with her. She would wake up every morning With a question. Am I mommy's girl or daddys girl today? She later told us that her favorite day was Sunday, because she knew on that day she was **Mommy and Daddy's girl.**  
**SHE KNEW** the beauty of **GOD'S PLAN FOR the FAMILY.**

Our children are grown and we work all the time now. AT THE END OF A HEAVY WORK WEEK, I CAN FEEL **like a human punching bag.** So why  
**Why DO ONE MORE THING, WHY** volunteer AT PRC. IN ALL THE BUSy NESS OF THE WEEK  
**IF GOD IS USING ME, IT IS CERTAINLY** there.  
Where the headline Is: **VALUABLE MEN. Fathers make a difference.**

I THANK GOD FOR THE AWESOME GIFT THAT IS THE PREGNANCY RESOURCE CENTER. And the chance to serve fathers there.

**THERE IS NO MORE VALUABLE USE OF THIS MANS TIME.**
